

**SUMMARY OF DISCIPLINE  
COMMITTEE DECISION  
ANDREA (ROLLMAN)  
HUTCHINSON  
Dartmouth, N.S.  
Reg. #9453**

At a meeting of the Discipline Committee of the College of Licensed Practical Nurses held on the 7th day of December, 2004, the Discipline Committee considered a Settlement Proposal that had been recommended for the resolution of a complaint against Andrea (Rollman) Hutchinson.

A complaint had been filed against Ms. Hutchinson alleging that she had stolen funds from a resident at a senior's facility in the Halifax Regional Municipality. Ms. Hutchinson admitted to the theft of funds from the resident, and was criminally charged and issued a suspended sentence.

The Discipline Committee accepted the recommendation to suspend Ms. Hutchinson's license to practice nursing retroactive to the date of her termination of employment, such that the suspension ran from April 20, 2004 to October 20, 2004.

Prior to obtaining a license to practice nursing, Ms. Hutchinson is required to complete the Fundamentals of Nursing workshop co-hosted by the College of Registered Nurses and the College of Licensed Practical Nurses.
